NED UNIVERSITY OF ENGINEERING & TECHNOLOGY
**FIRST YEAR (INDUSTRIAL MANUFACTURING/ TELECOMMUNICATIONS/ SOFTWARE/
APPLIED PHYSICS/ ECONOMIC & FINANCE/ MANAGEMENT SCIENCES)**
FALL SEMESTER EXAMINATIONS 2024
Batch - 2024

Time: 3 Hours

Dated: 04-12-2024

Max. Marks: 60

PAKISTAN STUDIES - ES-105

Attempt all five questions. Each carries equal (12) marks.

Q.1. The creation of Pakistan was not pre-determined; rather, it emerged gradually. What were the key socio-cultural political, economic, and religious factors that contributed to the formation of Pakistan? (CLO-1)

- Q. 2. The Constitution of Pakistan is structured into twelve parts, each addressing specific aspects of the state's functioning. Elaborate them. (CLO-2)

Q. 3. Environmental degradation significantly contributes to climate change globally. Identify the primary environmental hazards and discuss key international treaties aimed at addressing these challenges. (CLO-1)

- = Q. 4. A country's foreign policy is shaped by internal, regional, and global dynamics, and scholars often categorize it into distinct phases based on these changes. Discuss the various phases of Pakistan's foreign policy, considering the above dynamics that influenced its evolution over time. (CLO-2)

- = Q. 5. Give a brief analysis of the theoretical aspect of human rights as outlined in the constitution of Pakistan and the prevailing practices of human rights violations in Pakistan. Propose measures to bridge the gap between theory and practice. (CLO-1)
