

Fundamentals of Islam:

Tauheed

Oneness of Allah

(سُبْحَانَهُ وَتَعَالَى)

• What is meant by the word “**Tauheed**”?

• Types of “**Tauheed**” :

1. Tawheed-ul-Rububiyyah (Oneness of Allah’s Lordship).
2. Tawheed-ul-Uluhiyyah (Oneness of Worship).
3. Tawheed-ul-Asma’ wal-Sifaat (Oneness of Allah’s Names and Attributes).

✻ **“Affirming the oneness of Allah’s Lordship inevitably leads to affirming the oneness of Worship; it points to it and necessitates it”.**

• ﴿لَوْ كَانَ فِيهَا آلِهَةٌ إِلَّا اللَّهُ لَفَسَدَتَا فَسُبْحَانَ اللَّهِ رَبِّ الْعَرْشِ

عَبَّأَ يَصْفُونَ﴾ [الأنبياء: 22]

- Had there been gods besides Allāh in the heavens and the earth, both of them would have been ruined. So glory be to Allāh, Lord of the Throne, beyond what they allege.

(AlAnbiya 22)

In the light of the verse:

This concise sentence contains two arguments:

- (1) No institution, no household, no car, can function smoothly and properly, if it has two masters.
- (2) The system of the whole universe, including that of the earth, is functioning according to a universal law. It could not work so even for a moment, if there had been no proper proportion, balance, harmony and coordination between the different powers.
- This reasoning aligns with the concept of Tawhid in Islam, which emphasizes the oneness and sovereignty of Allah in controlling and sustaining the universe.
- **Question:** Could not the two gods agree that they do not oppress one another and thus the world remains in order?

• ﴿وَالْهُكْمُ لِلَّهِ وَاحِدٌ ۖ لَا إِلَهَ إِلَّا هُوَ الرَّحْمَنُ الرَّحِيمُ﴾ [البقرة: 163]

- And your god is one God. There is no god [worthy of worship] except Him, the Most Gracious, Most Merciful. (Al Baqarah 163).

In the light of the verse:

- **In this verse, Allah Almighty has informed that there is no true god except Him, He is alone in His self, names, attributes and actions, there is no partner with Him, there is no creator and sustainer besides Him, therefore all forms of worship are only done for Allah.**

﴿يَا أَيُّهَا النَّاسُ اعْبُدُوا رَبَّكُمُ الَّذِي خَلَقَكُمْ وَالَّذِينَ مِنْ قَبْلِكُمْ لَعَلَّكُمْ تَتَّقُونَ﴾ (البقرة 21)

﴿وَبَشِّرِ الَّذِينَ آمَنُوا وَعَمِلُوا الصَّالِحَاتِ أَنَّ لَهُمْ جَنَّاتٍ تَجْرِي مِنْ تَحْتِهَا الْأَنْهَارُ﴾ (البقرة 25)

﴿إِنَّ فِي خَلْقِ السَّمَاوَاتِ وَالْأَرْضِ وَاخْتِلَافِ اللَّيْلِ وَالنَّهَارِ وَالْفُلْكِ الَّتِي تَجْرِي فِي الْبَحْرِ بِمَا يَنْفَعُ النَّاسَ وَمَا أَنْزَلَ اللَّهُ مِنَ السَّمَاءِ مِنْ مَّاءٍ فَأَحْيَا بِهِ الْأَرْضَ بَعْدَ مَوْتِهَا وَبَثَّ فِيهَا مِنْ كُلِّ دَابَّةٍ وَتَصْرِيفِ الرِّيَّاحِ وَالسَّحَابِ الْمُسَخَّرِ بَيْنَ السَّمَاءِ وَالْأَرْضِ لَآيَاتٍ لِّقَوْمٍ يَعْقِلُونَ﴾

- In the creation of the heavens and the earth; in the alternation of night and day; in the ships that sail the oceans for the benefit of mankind; in the water that Allah sends down from the sky, and revives the earth with it after it had died, and scatters in it all kinds of creatures; in the changing of the winds, and the clouds disposed between the sky and the earth; are signs for people who understand . (Al Baqarah: 164)

In the light of the verse:

- There are many Signs in the structure of the heavens and the earth to guide those who use their reason.
- Signs mentioned in the verse:
 - 1) In the constant alternation of night and day.
 - 2) In the vessels which speed across the sea carrying goods that are of profit to people.
 - 3) In the water which Allah sends down from the sky and thereby quickens the earth after it was dead, and disperse over it all manner of animals.
 - 4) In the changing courses of the winds and the clouds pressed into service between heaven and earth.

Seven Important Creations of the Universe, and their Order and Planning

Impact of Tauheed on Human Life

1. True Freedom:

Tawheed frees people from being slaves to anything or anyone except Allah. It removes fear of powerless creations and gives dignity and confidence to believers.

2. Clear Purpose in Life:

Believing in one God helps a person focus on one goal: pleasing Allah. This gives life clear direction and keeps the heart at peace, unlike those who are distracted by worshiping multiple gods or things.

3. Inner Peace:

Tawheed helps people stay calm and fearless. Believers don't worry about things like money, health, or death because they trust Allah is in control of everything.

4. Inner Strength:

Belief in Allah gives people great strength. They rely on Allah in hard times, remain patient, and don't feel the need to depend on others for help.

5. Equality and Unity:

Tawheed teaches that all people are equal as servants of Allah. It removes pride and divisions based on power, wealth, or status, creating unity and brotherhood.

Place of Man in the Universe

﴿وَلَقَدْ كَرَّمْنَا بَنِي آدَمَ وَحَمَلْنَاهُمْ فِي الْبَرِّ وَالْبَحْرِ وَرَزَقْنَاهُمْ مِّنَ
الطَّيِّبَاتِ وَفَضَّلْنَاهُمْ عَلَى كَثِيرٍ مِّمَّنْ خَلَقْنَا تَفْضِيلًا﴾ (الاسراء 70)

And We have certainly honored the children of Adam and carried them on the land and sea and provided for them of the good things and preferred them over much of what We have created, with [definite] preference. (Al-Isra: 70)

In the light of the Ayah

1. Allah Almighty has honored the children of Adam with upright stature, the ability to speak, and the power of choice. He granted them dignity and honor, He carried them on land using animals and at sea using ships, provided them with delightful provisions, and favored them greatly over many other creations through intellect and reasoning.
2. The fact that Allah Almighty has granted superiority to some of His creations indicates that there are also creations on which humans have not been given superiority. Some scholars have considered the angels as this creation, while others have stated that certain humans are superior to certain angels, and vice versa. The Messenger ﷺ said: "I will be the leader of the children of Adam on the Day of Judgment, and there is no pride in that". (Tirmidhi :3615).

Purpose of Creation

﴿وَمَا خَلَقْتُ الْجِنَّ وَالْإِنْسَ إِلَّا لِيَعْبُدُونِ﴾ (الذاريات 56)

“And I did not create the jinn and mankind except to worship Me”.

IN THE LIGHT OF THE VERSE

- This reminds humans and jinn of the purpose of life. If they forget this purpose, they will face severe questioning in the Hereafter and will be considered unsuccessful in the test in which Allah granted them free will and choice.
- The meaning of worship is submission. A slave is called "Abd" in Arabic and "Banda" in Persian. Worship is the relationship that a slave has with their master, or a servant has with their Lord.

- 3) What is the reality of worship that is the purpose of our creation, and around which this monotheism revolves?
- 4) What was the condition of the polytheists to whom the Prophet ﷺ was sent? How did they conduct their worship, what were the aspects of their association (Shirk), and what were the specific forms and expressions of their polytheistic beliefs and practices?
- 5) What is the distinction between monotheism in lordship (Rububiyyah) and monotheism in divinity (Uluhiyyah)?
