

Moral and Social Philosophy of Islam

(PROFESSIONAL ETHICS)

KASB-E-HALAL

كَسْبِ حَلَالٍ

Concept of Rizq in Islam

- Rizq (sustenance) is of two types: Tangible and Intangible

❖ Intangibles:

1. Time
2. Social connections
3. Mental Health

❖ Tangibles:

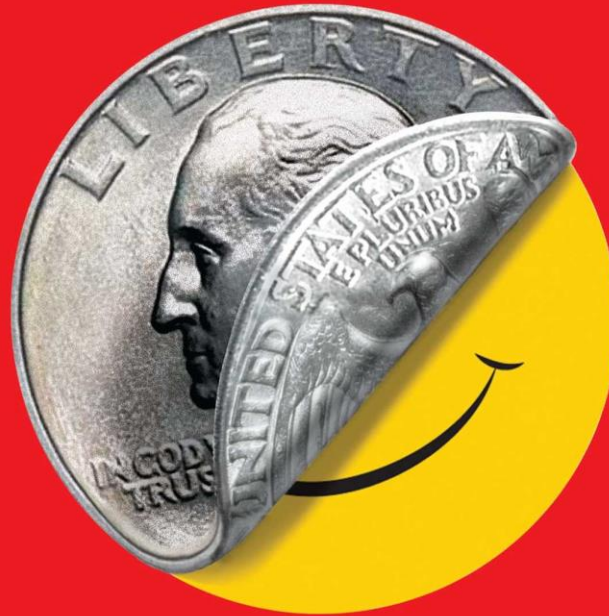

1. Physical Health.
2. Wealth.

- ✓ Rizq is often narrowly defined as wealth alone, but recognizing and nurturing both its tangible and intangible aspects leads to a more balanced and fulfilling life.
- ✓ Genuine happiness isn't measured by how much you earn, but by how you utilize it.

Where should you spend your money to attain true happiness?

1. On others, as evidenced by an enlightening experiment.
 2. Invest in experiences, not things.
- ❖ Having barakah in your wealth doesn't necessarily mean having more money; instead, it means that the benefits derived from the same amount stretch further and last longer.

(AN EXPERIMENT BY THE AUTHORS)

Happy Money

The Science of Happier Spending

Elizabeth Dunn & Michael Norton

"If you think money doesn't buy happiness, then you're just not spending it right. In this lively and engaging book, Dunn and Norton use the latest scientific research to show how you can get a bigger emotional bang for your hard-earned bucks."

—Dan Gilbert, author of *Stumbling on Happiness*

Guidelines about having “BARAKAH” in Rizq:

1. Remember that «الرَّزَاقُ» The Razzaq (provider or sustainer) is Allah سُبْحَانَهُ وَتَعَالَى.
2. Istighfar (Asking forgiveness).
3. Taqwa (to do what Allah SWT has permitted and refrained from what has been forbidden).
4. Tawakkul (Trust, Reliance in Allah).
5. Not blindly following the Duniya.
6. Sadaqah (Charity).
7. Treating the relatives well.

On the Day of Resurrection, people will be asked about other matters, including the following:

It was narrated from Ibn Mas'ood رَضِيَ اللَّهُ عَنْهُ that the Prophet صَلَّى اللَّهُ عَلَيْهِ وَعَلَى آلِهِ وَسَلَّمَ said: “The son of Adam will not be dismissed from before his Lord on the Day of Resurrection until he has been questioned about five things:

his life and how he spent it,

his youth and how he used it,

his wealth and how he earned it

and how he disposed of it,

and how he acted upon what he acquired of knowledge”.

(Narrated by al-Tirmidhi, 2422)

Sharia Guidelines for Lawful Consumption of Wealth

﴿كُلُوا مِنْ طَيِّبَاتِ مَا رَزَقْنَاكُمْ وَلَا تَطْغَوْا فِيهِ فَيَحِلَّ عَلَيْكُمْ غَضَبِي وَمَنْ يَحِلِّ عَلَيْهِ غَضَبِي فَقَدْ هَوَى﴾ (طه: 81).

"Eat of the good things We have provided for you, but do not be excessive therein, lest My wrath descends upon you. He upon whom My wrath descends has fallen".

In the Light of the Aayah

- Halal things must meet two conditions: they should be lawfully obtained without wrongdoing, and they must be pure, avoiding filth such as consuming un-slaughtered meat or pork.

Allah سُبْحَانَهُ وَتَعَالَى ordered us do not cross the limits in Halal; and it can be done in various ways:

1. To eat Haraam and take interest.
2. To prevent the poor from his right.
3. To be extravagant, and spend inappropriately.
4. Being stingy; to be a slave of money.
5. To spend it in disobedience to Allah سُبْحَانَهُ وَتَعَالَى.

• ﴿وَلَا تَأْكُلُوا أَمْوَالَكُمْ بَيْنَكُمْ بِالْبَاطِلِ وَتُدْلُوا بِهَا إِلَى الْحُكَّامِ لِيَأْكُلُوا فَرِيقًا مِّنْ

أَمْوَالِ النَّاسِ بِالْإِثْمِ وَأَنْتُمْ تَعْلَمُونَ﴾ (البقرة: 188).

- And do not consume one another's wealth by unjust means, nor offer it as bribes to the officials in order to consume part of other people's wealth illicitly, while you know.[it is unlawful].

Lessons from this Ayah

- Eating unlawfully is of various types; usurping and looting, or it may be by gambling, and it may be by means of bribery and interest.
- This Ayah warns against the filing of false cases, taking of false oaths and the giving or commissioning of false witnesses. Forbidding all these, Umm Salamah رَضِيَ اللَّهُ عَنْهَا reported: Messenger of Allah صَلَّى اللَّهُ عَلَيْهِ وَعَلَى آلِهِ وَسَلَّمَ said, "Verily, I am only a human and the claimants bring to me (their disputes); perhaps some of them are more eloquent than others. I judge according to what I hear from them). So, he whom I, by my judgment, (give the undue share) out of the right of a Muslim, I in fact give him a portion of (Hell) Fire". [Al-Bukhari and Muslim].
- It is interesting to note that the Allah سُبْحَانَهُ وَتَعَالَى uses the word: (أَمْوَالَكُمْ) which basically means 'your property', translated as: ((and do not eat up each other's property by false means)).

• عَنْ أَبِي عَبْدِ اللَّهِ النُّعْمَانِ بْنِ بَشِيرٍ رَضِيَ اللَّهُ عَنْهُمَا قَالَ: سَمِعْتُ رَسُولَ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ يَقُولُ: «إِنَّ الْحَلَالَ بَيِّنٌ، وَإِنَّ الْحَرَامَ بَيِّنٌ، وَبَيْنَهُمَا أُمُورٌ مُشْتَبِهَاتٌ لَا يَعْلَمُهُنَّ كَثِيرٌ مِنَ النَّاسِ، فَمَنْ اتَّقَى الشُّبُهَاتِ اسْتَبْرَأَ لِدِينِهِ، وَعَرْضِهِ، وَمَنْ وَقَعَ فِي الشُّبُهَاتِ وَقَعَ فِي الْحَرَامِ، كَالرَّاعِي يَرْعَى حَوْلَ الْحِمَى، يُوشِكُ أَنْ يَرْتَعَ فِيهِ، أَلَا وَإِنَّ لِكُلِّ مَلِكٍ حِمًى، أَلَا وَإِنَّ حِمَى اللَّهِ مَحَارِمُهُ، أَلَا وَإِنَّ فِي الْجَسَدِ مُضْغَةً، إِذَا صَلَحَتْ، صَلَحَ الْجَسَدُ كُلُّهُ، وَإِذَا فَسَدَتْ، فَسَدَ الْجَسَدُ كُلُّهُ، أَلَا وَهِيَ الْقَلْبُ».

• صحيح البخاري (52)، وصحيح مسلم (1599).

- **An-Nu'man bin Bashir** رَضِيَ اللَّهُ عَنْهُ **reported:** Messenger of Allah صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ said: “Truly, what is lawful is clear and what is unlawful is clear, and in between them are certain doubtful things which many people do not know. So he who guards against doubtful things keeps his religion and his honour blameless. But he who falls into doubtful things falls into that which is unlawful, just as a shepherd who grazes his cattle in the vicinity of a pasture declared prohibited (by the king); he is likely to stray into the pasture. Beware, every king has a protected pasture and Allah's involved limits is that which He has declared unlawful. Verily, there is a piece of flesh in the body, if it is healthy, the whole body is healthy, and if it is corrupt, the whole body is corrupt. Verily, it is the heart.”

Lessons from this Hadith

- 1) The vast majority of acts/things fall into one of the first two categories: either it is evidently lawful or unlawful. Only a minority number of acts/things fall into the third category, that which is doubtful.**
- 2) It is in the heart that we glorify Allah. It is the action of heart when we refrain from the unlawful.**
- 3) Imam al-Bukhari recorded this hadith in Kitab ul-Buyu' (Trading). In trading, there are many doubtful practices, such as professional cheating, that have persisted over time. Therefore, it's important to determine if a trade is clearly permissible or not. If it's uncertain, we have to avoid it.**
